BONNIE SCOTLAND'S RESORTS

4d and 1s.

The next issue, printed in 1926, will be in Commemoration of the 18th Esperanto Kongreso Internacia to be held in Edinburgh.

The introductory pages of Bonnie Scotland's Resorts are well-known throughout the world already, as they, translated into Esperanto, had the honour of being the first National Guide-Book in the International Language, and has stirred an interest in our country which will continue to increase with the spread of good-will.

These introductory pages were also used as the text of a booklet printed in Pitman's Phonetic Longhand—in commemoration of the celebration of the Inventor's Centenary, in 1913.

**THIS BOOKLET FIRST APPEARED IN CONNECTION WITH

PREFACE TO 1925-26 EDITION.

WE have again diligently collected and carefully arranged the useful and up-to-date information regarding Buteshire—the Officials for the whole county and its individual parishes, and Householders and Business people in the more enterprising districts.

Notwithstanding the continued very high prices, we have striven to maintain our Directory as full as in pre-war times, and that without a subsequent commensurate advance of rates. With the continued support of former patrons, we, with patient industry, will continue in the way of well-doing.

As our Advertising friends appreciate the continued distribution of their announcements facing the ordinary reading matter, we, with prompt receipt of orders, will keep permanent this decided benefit.

This DIRECTORY is not only at hand for reference at all times throughout the whole county, but it is also ready for reference in the public libraries of Scotland, England, Ireland and Wales, and also in numerous business houses and agencies in busy centres; and we are particularly anxious that nothing of benefit to Buteshire is omitted, but that all interests have a good show, and everything brought thoroughly up to date.

[For a number of years we have corresponded, per the International Language, with persons in all civilised lands, and in our spare pages we gave glimpses of our propaganda. Esperanto has been seriously studied and adopted by scientific, business and educational societies throughout the world. Music and sport were early in the field. It is the language of radio, and is being broadcast everywhere—making for international peace, good-will and harmony.]

Those who wish Lists of Householders arranged in Streets or Districts can get that in the Official Voters' Roll—in whole or in parts.

Our best thanks are again accorded to those who have in any way helped us in this compilation. It takes long and careful vigilance to ascertain and give effect to the continual changes.

The new edition of the Bute County Directory for 1924-25, published by Messrs Higgin & Co., Rothesay, maintains the reputation of the publication as a comprehensive record of activities and information of interest to the county. The directory comprises county and burghal information, lists of public officials and society office-bearers, agricultural and fishery statistics, and householders and traders. The calendar, with anniversaries for each date, is in reality a compact history of the county.—*Record and Mail*, Glasgow, 27/8/24.

As far as we can see, the information about Millport and Cumbrae is quite correct and thoroughly reliable, so we may take it for granted that the rest of the matter is the same. The book, which runs into 144 pp., should be extremely useful and convenient for the residents of the county of islands, as well as to visitors, especially those who have business dealings with the inhabitants.—*Largs and Millport News*, 4/9/24.

This useful publication is again to hand. The publishers have been so enterprising as regards its compilation that the Directory is now an absolute necessity to business people who have dealings with the picturesque County of Bute. "One of the most gratifying messages of good will that has reached us this season comes from Rothesay, Scotland, in the form of a 'Heather Christmas Card' issued by Messrs Higgle & Co., of that favourite resort. . . . The two inside pages are surrounded with mottoes, every one of which breathes a true Scottish sentiment of good will to absent relatives or acquaintances. Along with this card Messrs Higgle & Co., send us a copy of their guide to 'Bonnie Scotland's Resorts,' a wonderful little compendium of descriptive and historical information."—*New Zealand Times*, Wellington.

To say "No" squarely when those around you say "Yes."

To be what you are, and not pretend to be what you are not.

To remain in honest poverty while others grow rich by questionable methods.

To speak the truth when, by a little prevarication, you might get some good advantage

To live honestly within your means and not dishonestly upon the means of others.

To stand firmly erect while others are bowing and fawning for praise and power.

To refuse to do a thing when you think it is wrong, because it is done in trade.

To do your duty in silence, obscurity and poverty, while others prosper through neglecting or violating sacred obligations.

To face slander and lies, and carry yourself with cheerfulness, grace and dignity for years before the lie can be corrected.

LONG LIVE THE BUTE DIRECTORY

The **Opinions** of the **Press** and the **Acknowledgments** of **Libraries** are as complimentary as ever. The "Glasgow Evening News" makes the following appreciation of "**Local Colour**."—The compilers of the Bute County Directory have an ingenious method of making up the local colour and stimulating local pride. Instead of filling up the Calendar with the stock anniversaries, they have put against each date a local happening." Thus—[Two events mentioned]. "It is certainly an idea that makes for 'atmosphere.'"

IS ESPERANTO WORTH LEARNING?

It is the Language of the Cosmopolitan Red Cross Society,
 is More Scientific, Easily Learned, Up-to-Date, and Useful than
 any National Language: it is an Auxiliary to each and all.
 It is adopted by Scientific, Business and Educational Societies.
 Music and Sport early saw its potentialities, and; by it, songs,
 addreses, etc., are broadcast by wireless everywhere.

The forty fourth edition of this useful hand-book has just been published, and is brimful of information regarding the County of Bute. The public officials, lists of householders and business people in this popular health resort will be most serviceable and, notwithstanding the greatly increased cost of production, the pre-war price of two shillings has been maintained. *— *Helensburgh and Gareloch Times*, 3/9/23.

*We heartily thank our Helensburgh friends. They themselves also publish a useful directory for their town and environs, and they know what they are speaking about. Recently they said our publication was "a marvel of cheapness." Well, our pre-war price was only 1s. Our secret is, because our pre-war vigour remains: long may it have cause to continue! The directory is the only one provided with a loop for hanging in an open convenient place for reference, and not hid away in a desk or drawer—sometimes even in a safe (!) Our advertising friends will be pleased to learn that our free list is increasing. "Sweet are the uses of advertisement!" [If we raised the price of our directory to 4s or 5s it would still sell, but the circulation would be very much curtailed. Our advertising patrons are well worth encouraging: without their assistance the cost would be nearer £4 or £5 a copy. The greatest cost is in producing the first copy: after that, the more the better. The size of the Directory is now double that of war time]. Advertising spaces now being let, and orders booked.

COUNTY OF BUTE.

THE COUNTY OF BUTE comprises the seven islands in the Firth of Clyde, viz. —**BUTE**, the most populous; **ARRAN**, the largest; the **GREAT** and **LITTLE CUMBRAES**, off the Ayrshire Coast; **HOLY ISLE** and **PLADDA**, off Arran; and **INCH-MARNOCK**, off Bute.

The total **AREA OF THE COUNTY** (land and water, exclusive of tidal water) is 139,658 acres, of which 53,510 are mountain and heath lands used for grazing. 3,806 acres are under plantations, and 794 are covered with water. There are 25,981 acres under all kinds of crops, bare fallow and grass, which is a gradual inroad on the mountain heath and hitherto uncultivated land.

The principal **INDUSTRIES** are agriculture, horticulture, and fishing. The islands possess great and varied natural attractions, and are in the forefront as holiday resorts.

The **Population** of the COUNTY (including its Burghs of **ROTHESAY** and **MILLPORT**) in 1801 was 11,791; 1831, 14,151; 1861, 16,331; 1881, 17,657. In 1891 it was 18,248 (8,057 males and 10,197 females); and in 1901, 18,786 (8,412 males and 10,374 females)—being an increase of 255 in the ten years—2·1 per cent. There were 4,270 inhabited houses in the islands.

For 1911, the figures were as follows:—

	Males.	Females.	Total.	Revised total.
Arran - - -	2,169	2,402	4,571	4,628*
Bute (including Rothesay)	5,081	6,781	11,799	11,851
Cumbræ - - -	704	992	1,696	1,707

*The increased total issued in the Quarterly Return of the Registrar-General compared with the returns lodged with the Sheriff-Clerk, may be accounted for by the enumeration of the shipping.

the decreases since 1901 are as follows: Arran, 209; Bute, 330; Cumbræ, 62—601.

The population at the postponed 1921 census [taken in June instead of April] for the county, was 33,711 (13,880 males and 19,831 females)—being an increase of 15,525 over 1911.

Parish of North Bute.

THIS is the northern portion of the island of Bute. Port-Bannatyne, its principal village, is two and a-half miles from Rothesay, with which it is connected by tramway. Kames Castle, in the vicinity, is said to be the oldest inhabited castle in the country, and was the ancient seat of the Bannatynes. The village was named after that family—two brothers of whom (John and Gilbert)—received a charter from King Robert the Bruce, for services rendered at Bannockburn.

At the 1921 census, (taken in June instead of April) the parish contained 1201 males and 1529 females—total, 2730.

SHORTHAND, TYPEWRITING, ESPERANTO, AND BOOK-KEEPING.

MR HIGGIE'S CLASSES FOR PRACTICAL INSTRUCTION are conducted during the two Winter Quarters—October till December and January till March.

PRIVATE TUITION BY ARRANGEMENT.

Shorthand continues to be taught with a view to its subsequent usefulness in Business and Professionally.

In **Typewriting** special attention is devoted to Punctuation and Capitalisation—a thorough knowledge of which is absolutely necessary in Practical Printing and cannot longer be neglected by those aspiring to be First-Class Typists.

Esperanto.—This wonderful International Language is already used for Business and Pleasure in all parts of the world. Mr HIGGIE is in touch with important regions all over the world, and regularly corresponds with persons everywhere—“notwithstanding their different national languages.”

This auxiliary language anticipates the happy time when there will be “Peace on earth and good will to men,” which is coming yet in spite of the present times of great tribulation—caused by covetousness, selfishness, greed, and wanton hindrance to peaceful re-construction. The efficacy of the International language in tracing missing friends and making new ones has been and is being repeatedly evidenced.

Anticipating the boom in International Trading after the World War, experiments by means of inter-correspondence in Esperanto are being made by business firms throughout the world with eminently satisfactory results. It is not the tyrants but the “meek who shall inherit the earth.” The blatant, self-righteous and arrogant despots were beaten, but Righteousness is yet to be exalted, and frightfulness loathed. The longed-for League of Nations is evolving, when harmony and good-will shall yet reign in spite of all present discord and opposition—but not without many sacrifices, much service and suffering. Prosperity will not come through desiring something for nothing, but through universal patient industry for the public good.

Book-Keeping.—Instruction given in Book-Keeping and other Up-to-Date Business Methods. Advertisement Writing is a Present Day Envidable Profession, and the ground-work and minutiae have long been familiar to Mr Higgle, a practical Printer.

Messrs HIGGIE & COY'S ESPERANTO PUBLICATIONS are known, read and appreciated throughout the whole civilised world. Many of the contributions are written by up-to-date foreigners.

SPELING REFORM

THIS IS NOT A NEW DESIRE; BUT BESPEAKS
A GREATLY INCREASED INTEREST IN A
VERY IMPORTANT SUBJECT AT THE PRESENT
TIME. Under the appropriate heading,

“A Wasted Year,”

there appeared, on 3rd May, 1924, a Special Article in the *Evening Citizen*, Glasgow, showing that this is the time lost in the life of every child in Britain while acquiring the irregular and inconsistent spelling of our language.

The SIMPLIFIED SPELING SOCIETY is promoting a petition to present to the Prime Minister, calling for the appointment of a Royal Commission—including Scholars, Teachers, Men of Letters and Men of Business—to consider the whole question, and report.

Experiments already made by enthusiasts have proved eminently satisfactory, and shows how much valuable time will be saved for other studies by the removal of the spelling incubus.

The Speling Reformers include all classes of the people, and the question is not a party one.

The Simplified Speling Society of Great Britain, and the Speling Reform Association of U. S. A., have issued the first number of a joint quarterly journal, “Speling.”

Shorthand could not be written without a Reformed and Phonetic Alphabet.

It may interest you to see my Year-Book, a copy of which I enclose. Please accept with my best wishes. Believe me, yours faithfully,

The Isle of Arran.

THIS island, the largest in the group, is famous for the grandeur of its scenery and the variety of its geological deposits. The island is twenty miles in length twelve in breadth, and is divided into two parishes—Kilbride on the east, and Kilmory on the west. The late King Edward and Queen Alexandra spent a very pleasant holiday in the island after their postponed Coronation in August, 1902, and witnessed some very interesting sheep dog trials—which lengthened their stay

CHARM of the HEATHER

A SPRIG OF SCOTS HEATHER is as lightly thought of at home as a drink of cold water (of which there is more than enough to spare), but it is an inspiration and a valued reminder of the pleasantest of memories to Scots and their friends abroad.

The exchange of national floral emblems will yet become exceedingly popular among those who work for human brotherhood.

We produced Victory Commemoration Bookmarks—in connection with the Armistice, the Signing of Peace and the succeeding Joy Day Celebrations,—which were considered very appropriate.

Remember Friends Abroad.

While enjoying holidays remember to gather sprigs to send to friends abroad, or in response to appeals you will see in leading Scottish weekly newspapers.

We have for years sent boxesfull of heather to friends and societies abroad. We frequently respond to newspaper appeals, and the following is one of the acknowledgments we received :—

East London, C. P., So. Africa, 18th Dec.

Mr George Higgle, 22 Bridge St., Rothesay, Scotland.

On behalf of the East London Caledonian Society I wish to thank you for being so kind in responding to my appeal for heather, which was sold on our Patron Saint's Day, and realised the very handsome sum of £265 5/11, and has been forwarded to the fund for disabled Sailors and Soldiers. The heather was received in first-class condition, and was much prized —Yours faithfully, JAMES FORBES,

Convener of Heather Committee.

It is not only Scots abroad who enjoy a sprig of something that actually grew at home. The Glasgow 'Evening Times,' while the above acknowledgment was on the ocean, printed the following ;—" Flower girls in Argyle Street are making brave display with the mimosa, which comes to us from the Continent before the swallows or even the daffodils dare. It is one of the indications, after the shortest day, that somewhere the sun is shining, and that winter is waning. Australians in town are greatly cheered by the golden glory, for the mimosa is the wattle of their homeland, carrying with it the same significance as the heather to a Scot abroad."

Colonials and others on holiday in this country, have thanked us personally for sending them souvenirs of Scotland when far away; and others have reciprocated by sending preserved leaves and flowers from their distant lands.

The exchange of national floral emblems will yet become exceedingly popular.

Botanical Specimens go through the post at letter or parcel rates.

👉 18a Jara KONGRESO, EDINBURGO, 1926. 👈

THE BRITISH ASSOCIATION some years ago appointed a Committee to enquire into the practicability of an INTERNATIONAL AUXILIARY LANGUAGE. The committee published an interim report in 1921 recording its conclusions that an AUXILIARY INTERNATIONAL LANGUAGE is practicable, that Latin and Existing National Languages are unsuitable, and that an "Artificial" or Synthetic Language is best.

Since that date the Committee have further considered the matter, and have now finally decided to *recommend the Adoption of Esperanto.*

R e a l m o f R a d i o .

At an INTERNATIONAL RADIO CONFERENCE, held in PARIS from 14th till 18th April, 1925, **Esperanto** was adopted as the hand-maiden of Radio throughout the whole world. It is now broadcast everywhere.

Instruction, by well-known teachers, is regularly broadcast in both Hemispheres.

Typical letter received in pre-war days :—

MONTREAL, July 29th, 1913.

"I was shown a copy of your publication, 'Bonnie Scotland's Resorts,' while up country, and am desirous of possessing a few of those interesting books; so realistically depicting places I have visited, and 'brither Scots.' . . . Kindly inform me if such can be procured in this country or U.S.A., and, if so, where? I would not mind going 500 or 600 miles to get a few of your small books—so full of interest to the fellow Scot-men I come in contact with here. . . . The party who showed me their copy had it for years I shall be glad if you let me know if you issue other Publications along the same lines as the A B C 'Resorts of Scotland.'"

Messrs HIGGIE & Co., Rothesay.

We are now preparing a post-war edition.

These Publications are appreciated by intelligent persons outside Scottish connection, and we sent (free and direct) from our head office, in Rothesay, copies of BONNIE SCOTLAND'S RESORTS, &c.,

to the Red Cross Hospitals in Scotland,

giving a welcome to the brave Sailors and Soldiers who had been fighting in the Great War for Peace on Earth and Good Will to Men, and we received many thanks for our consideration.

One never knows the good received in unexpected quarters. A Scottish soldier, while in an Egyptian hospital, "swapped" something with a fellow patient for a booklet on Pitman's Shorthand. He learned the art, introduced it into the British Army, and presided at the Glasgow celebration of the inventor's centenary - when he indicated the wonderful success of his innovation.

We give special terms to Scottish Societies for the peaceful penetration of good will throughout the world.

SOUVENIRS

OF

BONNIE SCOTLAND.

"O, Rowan Tree."

With the Compliments of the Season from (Sender's name written here).

Make glad the hearts of absent friends at the Festive Season by sending, along with that "dainty literary dish," "BONNIE SCOTLAND'S RESORTS," specially prepared and mounted leaves of that remembrancer "O' hame and infancy." Book and flower card, 5d per pair, 4s per doz. *post free*, from

Higgie & Co., Publishers, Rothessay.

Forget Me Not.

With the Compliments of the Season from (Sender's name written here).

This modest flower speaks a language dear to all true friends, and its real presence at the Festive Season will revive precious memories of long ago. 5d per pair, or 4s per dozen, *post free*.

Higgie & Co., Publishers, Rothessay.

"Ilka Blade o' Grass keeps its ain Drap o' Dew."

With the Compliments of the Season from (Sender's name written here)

Even the emerald carpet of Bonnie Scotland is eloquent with lofty sentiment, when clothed in the poetic language of her sons. Preserved grasses, mounted on card, with appropriate verse, and issued as a supplement to that "dainty literary dish," "Bonnie Scotland's Resorts," makes a charming Christmas or New Year present. 5d per pair, or 4s per dozen, *post free*, from

Higgie & Co., Publishers, Rothessay.

Private Christmas Cards,

with posies of Real Scotch Flowers,

Printed with Special Greetings, from 3s per dozen,
post free, from

HIGGIE & CO., PUBLISHERS, ROTHESAY.

A real flower or leaf pu'd from the bosom of Bonnie Scotland is more appreciated among our kith and kin abroad than is comprehended by those who stay at home. If it was only known the enthusiasm such tokens create abroad, they would be despatched with avidity along with "Bonnie Scotland's Resorts."

It will be obviously necessary, to avoid disappointment, to order early.

Floo'rs poo'd in the Hills and Dells o' Bonnie Scotland,

and Preserved in Memory of Lov'd Ones Faur, Faur Awa.

The Bute County Directory

is the only Publication of the kind printed and published in Buteshire. Its data is carefully compiled, and much time and attention is devoted each year to the careful investigation and noting of the necessary alterations in the personnel of the occupants of public offices, the correct addresses of the general inhabitants, and the latest changes amongst those engaged in business.

The earliest publications connected with Rothesay were Directories, and they are interesting reading even at this time of day.

Our publication not only includes the Burgh of Rothesay (where it has long been most appreciated, but embraces the whole of the County of Bute—from the outlying districts of which more interest is respectfully solicited.

Owing to the increased prices of material and wages, we have been compelled to raise our tariff from pre-war issue, but that advance is not nearly equal to the increased cost of production: We desire not the curtailing of our information, but the continuing of everything as full as possible.

THE BUTE COUNTY DIRECTORY

This DIRECTORY now-a-days contains the information distinctive of both the DIRECTORY and the ALMANAC of past years. The BUTE DIRECTORY, although very useful to the fluctuating visiting population, is not necessarily a fine-weather publication, but a hardy permanent annual.

Our aim, in this publication, is not to record the passing names and achievements of visitors and those who come to cater for them, but something of far greater importance—the registering of the names, standing, and businesses of the resident population—for the information of all having an interest in Buteshire, its burghs and rural districts.

The Directory is, of course, not only for the remaining portion of the year in which it is issued, but continues the only printed reference book for the county of Bute until its successor appears.

One edition of the Directory is no sooner off than we begin to note alterations (and prepare for possible additions) for the next—so that it may be thoroughly up to date. These alterations and probable additions lie at our office, and are at the service of our customers

Will Secretaries of societies, etc., connected with Buteshire, who do not already do so, please remember to forward to us particulars of their institutions, annual reports and lists of office-bearers, as information for the next issue?

This Directory is not only found all over Buteshire, but in the libraries and other places of public resort in “the adjacent islands of Great Britain and Ireland.”

Price to Subscribers, Two Shillings; to Non-Subscribers, Three Shillings. Postage, Threepence.

Advertisement Tariff on application.

BUTE COUNTY DIRECTORY.

The Commercial Library, 21 Miller Street,
18th July, 1918.

Messrs Higgle & Co., Publishers, Rothesay.

We have to thank you for the copy of the Bute County Directory, addressed to the Stirling Library. Since November, 1916, all Directories have been transferred to The COMMERCIAL LIBRARY, 21 Miller Street. This library has been established for the use of business men, and, as since its opening, we have had over 49,000 visitors, more than one-third of whom consulted the Directories, you will appreciate the publicity your Directory obtains.

Yours faithfully,

JNO PHILLIPS, Librarian.

This DIRECTORY came out regularly during the "strenuous years of the Great War.

We are striving to keep the lists as full as ever during the present time of industrial depression. Being optimists, we hope we shall win success.

The Opinions of the Press on the latter issues are as complimentary as formerly.

The "ca' canny" and similar anti-British tactics are paralysing progress and preventing prosperity. Unless there is a determined revival of Industry, what must the harvest be? It is not through the guile and covetous selfishness of the wicked and thoughtless, but through righteous Regeneration that peace and prosperity will be regained.

People are willing to spend money on Holidays as well as on Business, but the blight of strikes, love of idleness and dreams of getting something for nothing, are up in opposition.

The Revival of the Touring Season.

The following sample enquiry letter was received after the War was over:—

Sandown Station Road, Stechford, Birmingham, 12th June, 1919.

Messrs Higgle & Co., A B C COAST GUIDE, &c.

I shall be much obliged if you kindly send me names of any apartments you can recommend at Craigmare, Wemyss Bay, Millport, Craigendoran, and Tarber! * My Guide is 1904. Thanking you in anticipation, yours faithfully, WM. T. JONES.

*Districts included in THE COAST GUIDE.

The above shows the Pleasures the public are again longing for but not enjoying to the full because of the "ca' canny" policy and the charm of living of the rates.

The callous numbing of Busy Hives of Industry throughout the country is ruinous. Charity is a splendid virtue, but it should not not be allowed to encourage pauperism.

PEACE & GOOD-WILL.

More than Christians believe that la Homaro vivos kunfratare.

THE GREAT CREATOR OF ALL made of one blood all races of Humanity on the Earth, and when we fell from the high estate in which we were created by obedience, Christ redeemed us, his Gospel of "peace on earth and good will" was preached to every creature, and "the gates of hell shall not prevail against it." The confusion of tongues at Babel is being followed by the gift of the Holy Spirit by Zephaniah. The walls of Jericho fell before the sounding of the ram's horn, and the command of Joshua, and the lingual walls, which have hitherto prevented all people that on earth do dwell"—whatever their creeds, colours or idiosyncrasies—from satisfactorily communicating with each other by means of

Esperanto, like ENGLISH, is made up from other languages: its roots are taken from the same jungle, but scientifically treated in a garden *pro bono publico*.

The 11th Annual International Congress was to have been held in Edinburgh in 1915, but the Great War, which prevented the holding of the 10th at Paris the previous year, was the means of causing the transfer of the 11th to San Francisco. To commemorate the opening of the Panama Canal a big Exhibition was held there, and a Tuta Pacifika Esperanto Kongreso developed into the 11a Tuta Mondo Esperanto Kongreso.

The 12th Kongreso Internacia was held at the Hague, Holland, in 1920; the 13th at Prague, in 1921; the 14th at Helsingfors, Finland, in 1922; the 15th at Nürnberg in 1923, the 16th at Vienna in 1924, the 17th at Geneva this August, and the 18th will be held in Edinburgh next year, when Bonnie Scotland will have an opportunity of showing her appreciation.

Esperanto--the language of Peace on Earth and universal brotherhood—is steadily spreading. It is much easier to learn and comprehend than any national language, and does the work of all. On the Continent during the Great War it was an incalculable blessing to Red Cross work and tracing the missing. It was a veritable open sesame into everything good. The world-wide Boy Scout movement has taken up the study of la kara lingvo. It was used at the great international Jamboree in London, a meeting so happy and harmonious that it was appropriately closed by the singing, of Auld Langsyne. This year there are numerous international excursions. The Scots boy scouts have caught on. During the holidays a company sojourned in Norway and a company of Danes enjoyed the hospitality of Scotland. That is nothing compared with the achievements elsewhere. "We're a' John Tamson's bairns."

Esperanto is much more easily learned than the alphabets of some other languages, and as it has no politics, religion, or physical force or selfish aims of any nation, but is pre-eminently *pro bono publico*, it is peculiarly fitted for cementing and making permanent and happy the coming efficiency of the League of Nations. That organisation has unanimously recommended the official and universal adoption of Esperanto, and its teaching in the schools of all civilised countries.
